Sir,-

[illegible] - Sec. [illegible] Tp. 34 Rge. [illegible] West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Re: S.W. 25-30-8-W4

This Department has an old account against the above noted land for advances of seed grain to Allan Hunter in 1919. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Re: Account of Allan Hunter
S.W. 25-30-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $107.50 was advanced to Allan Hunter on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 107.50	$ 249.95	$ 357.45

The S.W. 25-30-8-W4 was formerly the homestead of the debtor on which security he obtained an advance of seed grain in 1919.

In reply to our questionaire of the 21st of July 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"Title to this land is vested in this Department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

16th November, 1916.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to report that Mr. Gustav Julseth obtained homestead and pre-emption entries for the West half of section 7, Township 32, Range 2, West of the 4th Meridian, on the 4th December, 1911, and that after performing about twelve months' residence, he developed tubercular trouble and has since returned to his native country - Norway - where he has been undergoing medical treatment ever since the year 1913. In support of the foregoing, the Department has been furnished with reliable medical testimony, according to which authority there is no likelihood of Mr. Julseth ever recovering his health or being in a position to return to Canada with a view to completing the residence duties. With refererce to the other conditions of the entries, Mr. Julseth has a brother farming in the vicinity who has undertaken to complete the necessary improvements and, according to evidence submitted in this connection, a house valued at $100.00 has been erected and a total area of one hundred and seventy-five acres has been brought under cultivation on the half section.

The undersigned begs, therefore, to recommend that the performance of further residence duties be waived under the provisions of Section 20, s.s.2, of the Dominion Lands Act of 1908, and that patents issue for the half section on proof being furnished in the ordinary way that the other conditions of the entries have been completed and the pre-emption paid for as provided by the Act.

Respectfully submitted,

Minister of the Interior.

PRIVY COUNCIL CANADA

16

General on the 1ST [illegible] 1916

DEC 8 1916
D. & A. LANDS BR
JCS. P.D.

The Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, submitting that Mr. Gustav Julseth obtained homestead and pre-emption entries for thewest half of section 7, township 32, range 2, west of the 4th meridian, on the 4th December, 1911, and that after performing about twelve months' residence, he developed tubercular trouble and has since returned to his native country, Norway, where he has been undergoing medical treatment ever since the year 1913. In support of the foregoing, the Department of the Interior has been furnished with reliable medical testimony, according to which authority there is no likelihood of Mr. Julseth ever recovering his health or being in a position to return to Canada with a view to completing the residence duties. With reference to the other conditions of the entries, Mr. Julseth has a brother farming in the vicinity who has undertaken to complete the necessary improvements and, according to evidence submitted in this connection, a house valued at $100 has been erected and a total area of 175 acres has been brought under cultivation on the half section.

The Minister therefore recommends that the performance of further residence duties be waived under the provisions of section 20 s.s.2 of the Dominion Lands Act of 1908, and that patents issue for the half section on proof being furnished in the ordinary way that the other conditions of the entries have been completed and the pre-

emption...

The Honourable

The Minister of the Interior.

emption paid for as provided by the Act.

The Committee concur in the foregoing recommendation and submit the same for approval.

Sir,

S.E.¼ 3-29-3 W. 4th M.

With reference to your application for patent for your pre-emption above described, which is held up on account of non-payment, I beg to inform you that a report has been received from one of our Inspectors in which he states that you had your land rented to Mr. H. Hansen, and in this connection I may state that it is contrary to the provisions of Section 31 of the Dominion Lands Act to rent or lease a pre-emption or any part thereof prior to the issue of Letters Patent and anyone guilty of an infringement of the provisions in that regard renders his right to the land liable to forfeiture unless the Minister otherwise declares.

Under the circumstances the Department requires to know whether or not a lease has been executed in this case and if so worded as to give possession of the land to the lessee. If this is the case then it will be necessary for you to cancel the agreement and as evidence thereof surrender the lease to the Department with an endorsation thereon to that effect. Provided action is taken accordingly without unnecessary delay the question of an extension of time for payment of the purchase price will be considered on its merits.

Concerning the question of cropping this season there would be no objection to you entering into an agreement with any person to put in the crop on the understanding that the same is for your use and benefit. The matter of compensation could be arranged either on a cash basis or by means of a share of the crop which may be harvested as long as possession of the land is not given.

The Department will expect to hear from you regarding this matter within the next thirty days and you should at the same time return here the expired Certificate of Recommendation issued in your favour covering the land.

Dear Sir.

In reply to your letter of
January 19th in regards to S.E. 1/4 of
Sec 5 - T. 29 - R. 3 - W. 4th, which you
state was in a grazing lease only.
I do not understand why the
dept would hold up land suitable
for agriculture purposes, in a district
like this, as the crops here, last year
did average 40. bus per acre, and
crops are pretty fair this year.
There is (150) acres of land on this
quarter suitable for agriculture
purposes. I trust that this letter
will be of benifit to you in under-
standing the situation of this
matter. I trust that you will
take steps in the near future to
have this land for homesteading
purposes. Yours truly

Sir,-

S.E. ¼ Sec. 4 Tp. 29 Rge. 3 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Re: Account of Jack Woolhouse
S.E. 3-29-3-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $130.00 was advanced to Jack Woolhouse on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 130.00	$ 289.46	$ 419.46

The S.E. 3-29-3-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 5th of July 1926 and is still unalienated Crown land held in the right of the Province.

In reply to our questionaire concerning the S.E. 3-29-3-W4 of the 15th of May 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated Crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Dear Sirs -

I am badly in need of some information & hope you can give me.

In January of 1912, my wife and I went from Michigan to Alberta, and homesteaded 160 acres of land near Colinton. I do not know the exact location as we lost our original papers by fire in 1941. I do know it was east of Colinton & the base line.

We returned to the United States in 1919 and I eventually was repatriated. Now I find I need the date of my Canadian naturization in order to clear a legal matter. All I need is the date of my naturization papers.

I'd appreciate it very much

Please advise me if there is
a fee for the service

Sincerely Yours

James E. Le Saux

P.S. - I have also written to the
Recorders Office in Edmonton
Alberta, in order to save time
should the necessary inform-
ation have to come from there.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Department of the Interior

OTTAWA, 20th September, 1926.

Sir,-

S.E. ¼ Sec. 12 Tp. 60 Rge. 17 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Stephan Krupak, Esq.,

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

¼ S.W. Sec. 27 Tp. 57 Rge. 19 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

In reply to your memorandum of the 13th instant hereunder, I am to state that the above described quarter-section was formerly the homestead of Mrs. Peter Herron, her entry for which was cancelled on the 28th April, 1924. Her last known post office address was "Esther, Alberta." No application for a refund of the value of the improvements has been received. It is noted, however, that she is indebted to the Department for Seed Grain.

Re: Account of Mrs. Katherine Herron,
E.½ 7-32-2-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 and 1922 seed grain amounting to $217.35 was advanced to Mrs. Katherine Herron on the security of the above mentioned land. A payment of $10.00 was received in 1926 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 217.35	$ 494.94	$ 712.29

Patent was issued in the name of Mrs. Katherine Herron for the S.E. 7-32-2- W.4th on the 1st of December, 1919, subject to the 1919 lien. The N.E. 7-32-2-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled on the 28th of April, 1924, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 24th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"The North East quarter is unalienated Crown land, while title to the South East quarter is vested in this Department having been acquired through Tax Recovery proceedings. This land, vacant at present is located in that part of the Province designated Special Areas and in view of this fact there is little likelihood of same being utilized for any purpose other than grazing or any disposition." made other than by lease agreement."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

IN THE MATTER OF an action brought in the District Court of the Judicial District of Calgary, by Goose Lake Grain & Lumber Company, Limited, against Peter Hilstead; AND IN THE MATTER OF a Judgment obtained by the said Goose Lake Grain & Lumber Company, Limited against the said Peter Hilstead.

I, Willard L. Noyes, of the City of Saskatoon, in the Province of Saskatchewan, Grain Merchant, do solemnly declare:-

1. That I am President of Goose Lake Grain Company, Limited, and have full knowledge of the matters herein deposed to.

2. That Peter Hilstead is justly and truly indebted to Goose Lake Grain Company, Limited in the sum of $220.74, with interest at the rate of 5% per annum on the sum of $167.30 from the 19th day of September, 1919, being the amount (with interest and costs) of a Judgment obtained by the Goose Lake Grain & Lumber Company, Limited against Peter Hilstead on the 5th day of May, 1914, in the District Court of the Judicial District of Calgary.

3. That no portion of the said Judgment has been paid or satisfied.

4. That the said Goose Lake Grain Company, Limited holds no security for the said claim or any part thereof, other than the said Judgment, and the whole amount thereof, is justly due and owing by the said Peter Hilstead to the said Goose Lake Grain Company, Limited.

5. That the lumber which is the subject matter of the action above referred to was purchased and used by the said Peter Hilstead as improvements on his land, the South West Quarter of Section 30, Township 26, Range 2 West of the 4th Meridian, and was used by the said Peter Hilstead to enable him to complete his homestead duties on the said land.

6. That unless the Goose Lake Grain Company Limited receives payment of its said claim out of moneys which the Government may receive for improvements on the said land, I am advised and believe that the amount of the claim will not be realized.

7. I am advised and believe that Peter Hilstead who is the Defendant in the said action, and Peder Hilstad who applied for Patent to the said land, are one and the same person.

8. That since the date of the said Judgment the name of the Goose Lake Grain & Lumber Company, Limited has been changed to Goose Lake Grain Company, Limited.

AND I MAKE this solemn Declaration conscientiously believing it to be true and knowing it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

Ottawa, 7th November, 1911.

[illegible]

Gentlemen,-

I beg to acknowledge the receipt of your letter of the 19th ultimo, enclosing a declaration from Mr. W.L.Noyes of the [illegible] Company, with reference to a judgment awarded them against Peter [illegible], the entrant for the S.E. 30-26-2-W.4th M.

In this connection I would inform you that it is not now the practice of the Department to recognize judgments of this kind and in the event of a contested claim being upheld, if the firm has a claim against the former entrant it is necessary that they obtain a transfer order from the entrant for the amount of their account, which may be refunded out of the value of the improvements after any seed Grain investigations that may have been provided for.

In this connection it would appear from the records here Mr. Millstad has made application for patent for this quarter section and that the application is at present being held in the office of the Agent of Dominion Lands at Calgary pending the receipt of a declaration as to the correct spelling of Mr. Millstad's name.

In the event of patent being issued you would then be able to have your judgment filed against the title by the Registrar of the Land District in which the land is situated.

Your obedient servant,

Frac. S.E.¼ 2, 40, 2, W. 4th M., lying west of lake, containing 84.9 acres, shown on the sketch attached hatched in red.

Mr. Robert Hughes who claimed ownership of the S.W.¼ of the section above referred to, which land was patented in January, 1911, to Mr. J. Milton, was in June, 1911, advised that he might purchase the parcel in question at the rate of $3.00 an acre, upon filing here evidence of ownership of the said S.W.¼.

Mr. Hughes has been repeatedly requested to advise the Department if he wishes to avail himself of the opportunity of purchasing the land and no reply has been received.

The Agent of Dominion Lands at Red Deer has had enquiries as to the land being open for entry and was requested to obtain Mr. Hughes' intentions.

In his report hereunder Mr. Homestead Inspector Creighton states:- "That although Robert Hughes is owner of the South West quarter of Sec. 2, 40, 2, W. 4th M., he does not live there at present but at Leroy, Alberta, so was unable to see him regarding the purchase of the South East quarter of Sec. 2, 40, 2, W. 4th M."

In 1918 this man received on the security of the S.W.19-25-13-W.3 advances of Seed Grain, Fodder and Relief, valued at $25.65, $5.00 and $12.[illegible], respectively.

According to Abstract of Title for the land in question, title vested in the name of one Cynthia Enfield on the 20th October, 1923, clear of the 1918 indebtedness. As there was no record in this office of the said account having been paid, the Registrar was requested on the 14th ultimo to advise as to the non-appearance of the Liens against title; and on the 19th ultimo he wrote this office as follows:-

> "Replying to your letter of the 14th inst., I find that the Liens in question were omitted from a Title issued 11th November, 1921, through an error in this office.
> "As the land has since changed hands, it will not be possible to reinstate the Liens as a charge against it."

Under the circumstances the Department has no security, and I would, therefore, suggest that an endeavour be made to locate the original debtor for collection. In 1915 this man received on security of the above land an advance of seed grain, fodder and relief valued at $25.95, $50.00 and $120.00 respectively.

According to an abstract of Title for the land in question title was vested in the name of Cynthia Canfield on the 25th of October 1923, clear of 1915 indebtedness. The Registrar of Land Titles was communicated with in connection with the non-registration of the liens and advised that it was due to an error in his office. SIR:

Re: N.W.¼ 10-25-13-W3rd.
Your file No. 2388535.

Replying to your letter of the 13th. inst., I regret that it will not now be possible to reinstate the liens as a charge against the above land.

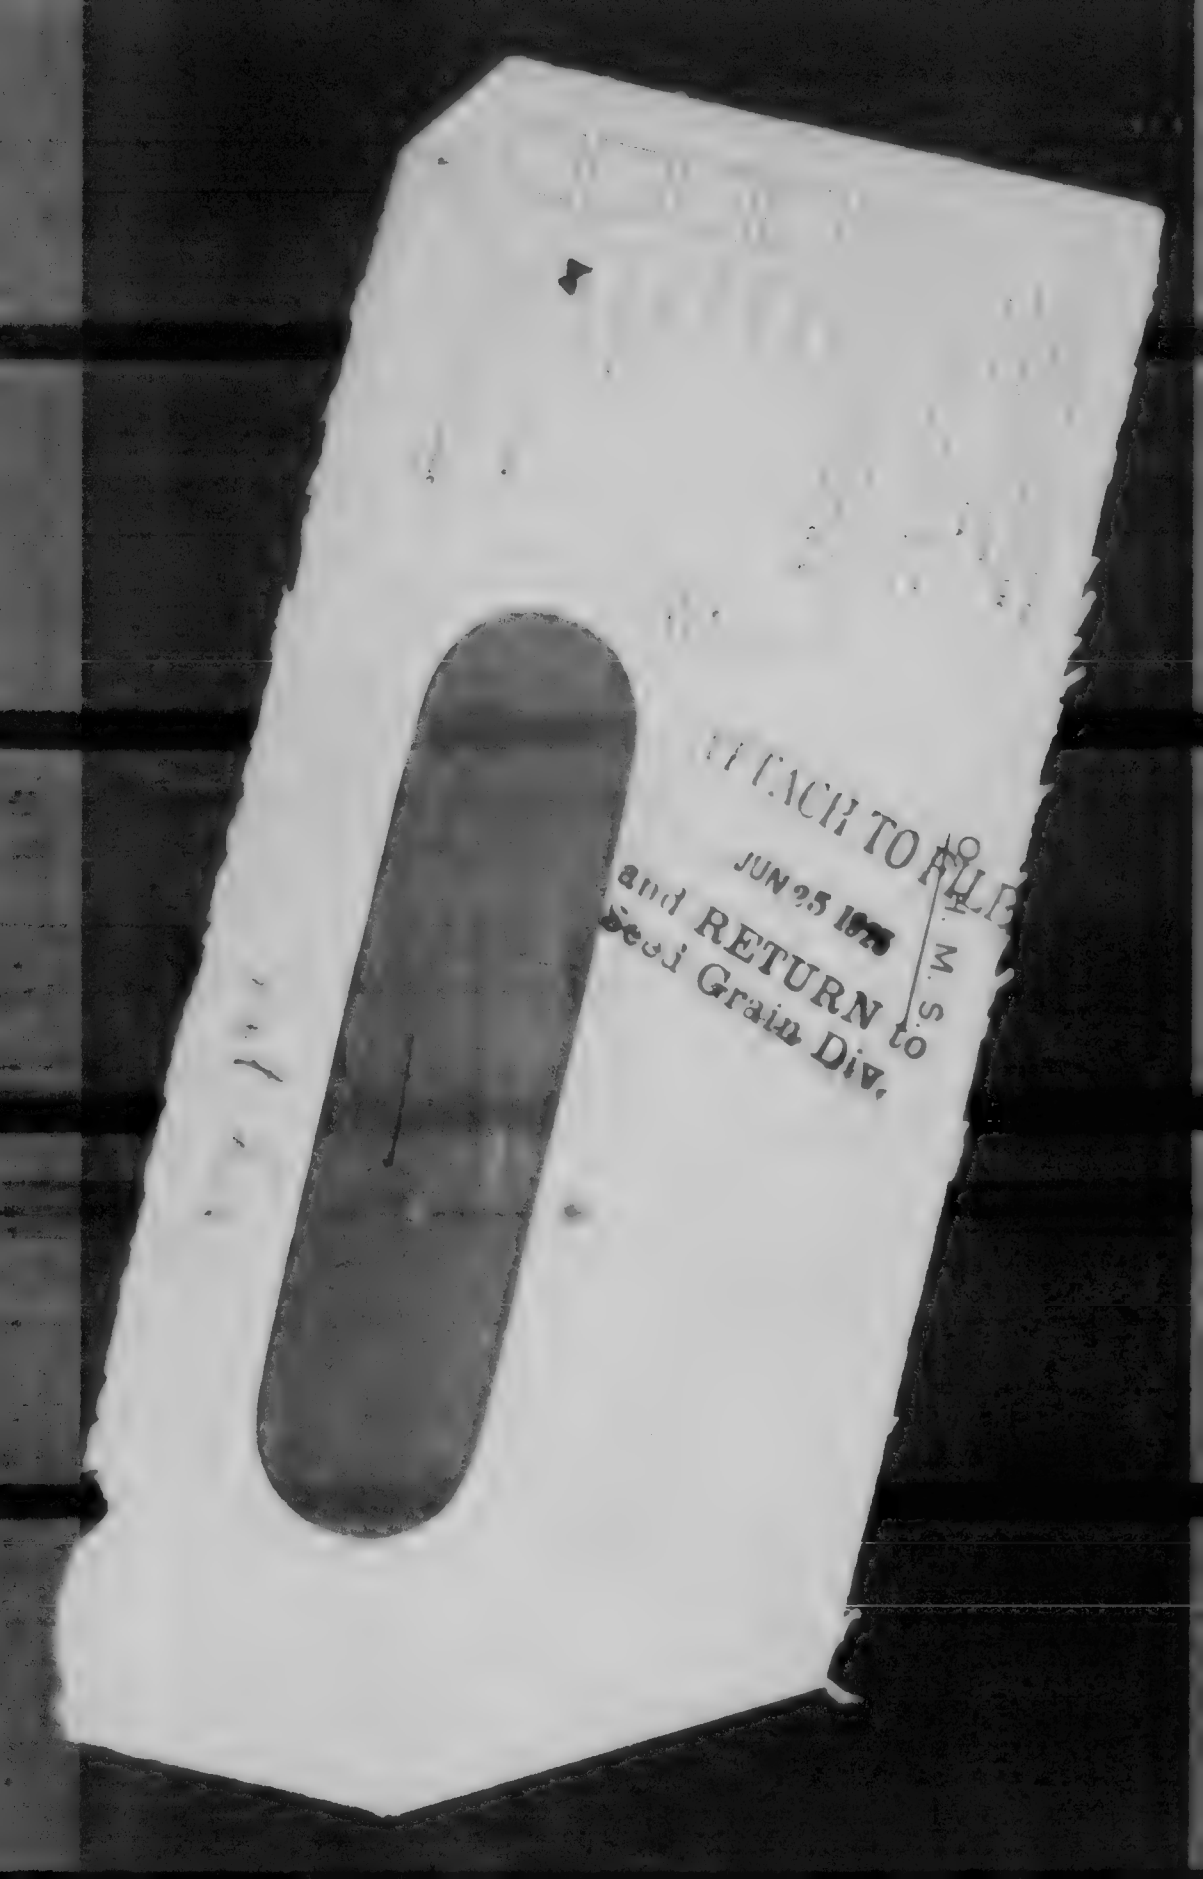

The party who obtained tax title transferred this quarter section to another party. Under these circumstances the liens could not be maintained against the present owner.

We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

Re: Account of John H. Murray
Sec. 10-25-13-W3

The letter of application for an adjustment of indebtedness outstanding against the above mentioned party is referred to me, submitted as a basis to deal with such cases. Having completed an investigation I have the honour to submit my position to report as follows:

In 1915 seed grain, fodder and relief amounting to $195.65 were advanced to John H. Murray on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 195.65	$ 303.44	$ 499.09

Patent was issued in the name of John H. Murray for the S.W. 10-25-13-W3 on the 17th of August 1917, subject to the following liens.

According to Abstract of Title for the land in question title was vested in the name of C[illegible] Mayfield on the [illegible]th of October 1923, clear of 1915 indebtedness. The Registrar of Land Titles was communicated with in connection with the non-registration of the liens and advised that it was due to an error in his office. His letter includes, "As the land has since changed hands it will not be possible to reinstate the liens as a charge against it."

As the liens are no longer registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.
